The WD Promise

WD understands the importance of the information you save to your hard drive and we are committed to protecting that data with exceptionally reliable products, advanced data protection technology, and superior customer support. No one does more to safeguard your data than WD.

¹A USB 2.0 host and USB 2.0 certified cable are required to obtain Hi-Speed USB performance.

²1 gigabyte (GB) = 1 billion bytes. Total accessible capacity varies depending on operating environment.
