

MY PASSPORT™ ULTRA

PORTABLE HDD STORAGE

Built for today.
Ready for tomorrow.

- Sleek metal design
- USB-C™ ready
- Up to 5TB¹ of capacity
- Software² for device management and backup with password protection
- 256-bit AES hardware encryption
- 3-year limited warranty³

Equipped with USB-C™ technology, the My Passport™ Ultra portable drive offers an easy way to expand your storage with a modern metal design that complements your PC. It's Windows® ready out of the box to seamlessly deliver plug-and-play storage, while password protection with hardware encryption helps enforce the security of your content.

MY PASSPORT™ ULTRA

PORTABLE HDD STORAGE

Product Features

Sleek Metal Design

Fusing modern anodized metal and textures, the My Passport™ Ultra portable drive is available in a variety of colors to seamlessly match your personal style and the latest computers.

USB-C™ Ready

Featuring USB-C™ technology, the My Passport™ Ultra portable drive delivers quick and easy storage for your PC, while the included USB 3.2 Gen 1/USB 3.0 adapter makes sure it's compatible with older machines.

Easy-to-Use Backup Software

For your photos, videos or business documents, the backup software² makes it easy to help protect what's important to you by automating your backup routine. Simply download, plug in your drive and set your hourly, daily or monthly schedule.

Password Protection with 256-bit AES Hardware Encryption

Built-in 256-bit AES hardware encryption with password protection helps keep your digital life's contents secure. Just install our software² and set your password to activate password protection.

Windows® and Mac Ready

My Passport™ Ultra is formatted for Windows® to deliver plug-and-play storage out of the box. You can also download the NTFS driver for macOS, so you can work seamlessly between operating systems without reformatting.

3-Year Limited Warranty³

The My Passport™ Ultra drive is built using tried and true WD components for lasting endurance and comes with a 3-year limited warranty to deliver reliable storage you can depend on.
