SanDisk Outdoors™ 4K microSDXC™ UHS-I card with SD Adapter

The reliable, weather-resilient,
and highly visible card for trail cams.

Designed for trail cams and other devices used outside, SanDisk Outdoors™ 4K microSD™ UHS-I cards deliver the high-speed performance required to capture ultra-realistic footage. With vivid blaze orange SD adapters and use of the bright color on both sides of the cards, they are easy to spot even if dropped face down on the forest floor. They are tested to withstand extreme temperatures, high humidity, plus submersion in fresh and salt water¹. They are also built to withstand drops, shock, magnetic fields, airport X-ray machines, and thousands of camera insertions¹. When used and formatted according to the camera's instructions, SanDisk Outdoors™ 4K microSD™ cards will record video and photos reliably, year after year.
